Subject: Brendan S. Rose – File 2025-64274-I – Update on Recent Events and New Creed Practice Submissions (December 25, 2025)

Dear Registrar,

I am writing to provide an update on recent events and to submit new materials reflecting continued creed practice.

First, I regret to inform the Tribunal that my mother suffered another serious fall, resulting in injuries to her mouth and hospitalization. She is currently being kept in isolation due to COVID protocols. This follows a prior similar incident, and the timing—during active proceedings—remains a matter of personal concern, though I make no allegation at this time.

Over Christmas (December 24-25, 2025), I have created the following new works as part of ongoing creed practice:

CHRISTMAS WAS A VERY ACTIVE DAY, FOR NEW WORKS AND UPLOADS
Submitted as a Demonstration of Creed Sincerity and Daily Practise

Note: You do not necessarily have to familiarize yourself with all of these today,
Rather I present a broad cross section, and you may pick and choose what evidence you wish
to expose yourself to today. They are all relevant and on point to a discussion of Creed Sincerity,
I welcome any direction the Tribunal may wish to offer regarding creed sincerity submissions,
Please inform me if you feel I have established it enough. (to meet the high bar established under Amselem)

LONG LIVE THE NEW FLESH - A MANIFESTO IN TWO PARTS - ON ABSOLUTE OPPOSITION TO HYPOCRISY - CREED OMNIBUS #4.pdf
[The Newest Creed Document, Outlining THE NEW FLESH Manifesto, Consisting of an Ideological Tract and 4 documents On The Absolute Opposition To Hypocrisy,
Establishing Opposition to Hypocrisy as a RELGIOUS DUTY AND OBLIGATION. A Creed Practise in other words...]

And finally, attached please find **Creed Document 4: ON ABSOLUTE OPPOSITION TO HYPOCRISY** – a new ideological statement outlining a core principle of my creed.
Finally, to clarify one last time for the record: My request for armed guards and protection, and protective housing for myself and my family, friends, and associates, is not a direct request for the Tribunal to offer protection it cannot offer, but rather, I am merely requesting the Tribunal forward my request to Premier Doug Ford, so he may consider if protecting my family is useful.
Thank you for noting these updates in the file.
Sincerely,
Brendan S. Rose
